INTRODUCTION

Huron Academy was established in 1999 as a Public School Academy chartered by Ferris State University. CS Partners located here in Howell, Michigan manages Huron Academy. CS Partners is a company composed of experienced educators. The core management team consists of widely respected professionals who have been working with charter schools since 1996. Our goal is to provide a quality education to students as well as instruction in character development. As a public school of choice, we accept children from throughout the geographic region.

Whether you are new to our school, or are joining us again for another year, we welcome you! We have high expectations for all of our students and we understand that the more you know about your school and its guidelines, the more successful we all will be in ensuring students will receive the education needed for a bright future.

Clear communication with parents and guardians is a vital component to a successful school experience. Parents are invited to join us and become partners in their child’s education. Research studies show that when parents help their child's learning by demonstrating interest, providing assistance and encouragement, and setting up specific study times with clear expectations, student learning is enhanced.

We look forward to working with you this school year.

MISSION STATEMENT

_Huron Academy’s mission is to be a leader in the areas of academic excellence and safety, while developing the character of our students._

VISION

The school seeks to lead public charter elementary schools in Michigan and traditional public elementary schools in Macomb County, in academic excellence, as measured on state and national tests.

The school seeks to promote the development of character in our students, as measured by a safe and orderly environment, where all children are accepted and can learn.

GOALS

Goal 1
- Lead all Ferris State University charter schools on the State mandated test scores
- Lead all Michigan public charter schools on the State mandated test scores
- Lead all Macomb County elementary schools on the State mandated test scores

Goal 2
- The average score on the Authorizer mandated test for Huron Academy on a grade by grade basis will be above the 60th percentile for all Michigan schools taking the test.

PHILOSOPHY

We believe that students' intellectual growth must be stimulated with a pursuit of academic excellence. Based on the unique and diverse needs of all students, our philosophy is to provide a proactive approach to education that also encourages the development of the aesthetic, social, physical, creative and emotional aspects of each individual. With caring and attentive role models, we will provide students with guidance for growth to prepare them for future academic and emotional success.
STUDENT WELL BEING AND EMERGENCY INFORMATION

Student safety is a responsibility of the staff. All staff members working at the Academy are familiar with emergency procedures such as fire and tornado drills, lock-down procedures, and accident reporting procedures. Should a student be aware of any dangerous situation or accident, s/he must notify any staff person immediately.

State law requires that all students must have an emergency medical card completed, signed by a parent/legal guardian, and filed in the school office. Emergency cards are distributed to the parents at the annual open house at the beginning of the school year and should be completed immediately. A student may be excluded from school until this requirement has been fulfilled. If your daytime phone number is changed anytime during the school year, please promptly notify the school office. We need to reach you as quickly as possible if an emergency were to occur.

In the event of an emergency, the student should be taken to the nearest hospital to receive appropriate medical care, regardless of medical preference. Typically, the decision is made by emergency medical technicians or other first responder.

COVID-19 Safety Protocols
In line with the Governor’s current and applicable executive orders and the Return to School Roadmap (Roadmap) the Academy is implementing the following protocols to ensure the safety of students, staff and visitors. It is the expectation that students, staff and visitors will abide by these protocols. The Academy Administration will continue to monitor guidance from local, state and federal health officials and implement modifications as appropriate.

A risk of exposure to COVID-19 exists whenever people are present. When entering the Academy or using Academy transportation, students, staff and visitors assume the risks related to exposure to COVID-19.

a. Social Distancing Measures as recommended by the Center for Disease Control and Prevention (CDC), Roadmap, and local county health department orders. These measures include, but are not limited to spacing desks six apart, floor markers and signs.

b. Face Coverings-
Students are expected to follow these requirements. Refusal to wear a facial covering may result in disciplinary consequences.

Grades Pre-K-12: Facial coverings must always be worn in hallways and common areas by students in the building and during school transportation except for during meals.

Grades K-5: All students must wear facial coverings unless students remain with their classes throughout the school day and do not come into close contact with students in another class.

Grades 6-12: Facial coverings must be worn in classrooms by all students.

Any student that is unable to medically tolerate a facial covering should not wear one. Parents/guardians will be asked to provide a doctor’s note. Facial coverings may be homemade or disposable level-one (basic) grade surgical masks.

   • Homemade facial coverings must be washed daily.
   • Disposable facing coverings must be disposed of at the end of each day.

c. Screening Students
   • The Academy will cooperate with the local public health department regarding implementing protocols for screening students.

Please see the Academy’s COVID-19 Preparedness Plan for more information regarding attendance.

We will communicate through parent/teacher conferences, interim reports, weekly notes, teacher contact and others. We are all on the same team. Therefore, it is very important that we maintain a high level of communication.

If a particular matter raises a question or you have a suggestion, you are asked to consult directly with the teacher involved. Please call the school office to make an appointment with the teacher. Also, please make an appointment to speak to the office staff or administration.

CHARACTER EDUCATION

The American Association of School Administrators and the National School Boards Association have approved jointly a statement endorsing character education in the nation's schools. It reads:
“Nations rise and fall with the character of their people. If our nation is to survive and prosper, then present and future citizens must be committed to high ethical standards and values that support a free, democratic and civil society.”

Children should understand the need to be responsible for their own actions and that their actions affect the lives of others. They should emerge from the education system valuing honesty, integrity, effort, trustworthiness, respect, responsibility, fairness, caring and citizenship. They should be prepared to resolve conflict through reasoning rather than violence. They should also understand and accept the diversity that has always been a major characteristic of American society.

Therefore, Huron Academy endorses the continuing need for character education in the nation’s schools. Knowing that character drives personal, professional and civic decisions, Huron Academy the NSBA and AASA realize that character education programs are most effective when they are developed in concert with the local school community. We will provide such an opportunity here at Huron Academy.

ENROLLMENT AND RE-ENROLLMENT PROCEDURES

New enrollment, re-enrollment and sibling enrollment forms will state a date when all forms must be turned in. Huron Academy does reserve the right not to accept a student for enrollment and attendance if the student has previously been expelled or suspended from a previous school for any reason as allowed by State law. It is the expectation that all students entering the Academy will be fully toilet trained and be able to use the restroom independently. All enrollment is considered temporary until all documentation has been received and verified. If it is determined that the application for enrollment provides inaccurate or misleading information, Huron Academy reserves the right to revoke the offer of enrollment for that student.
The following forms must be turned in to the front office by date set at that time:

1. Application
2. Original birth certificate with seal or other reliable proof of identity
3. Social Security card
4. Most recent report card
5. Immunization records
6. Health appraisal form
7. Emergency information

Any student who was enrolled in the immediately preceding academy year is guaranteed admission for the following year, as long as an enrollment form for the student was received prior to the re-enrollment deadline. Re-enrollment forms will be sent home to every child. The following forms must be turned in to the front office by the date set at that time:

1. Re-enrollment form
2. Emergency form
3. Prescription form
4. Photograph Permission slip
5. Extended Care Information
6. Application for free lunch program

No applicant for admission shall, on the basis of, race, color, ethnicity, national origin, immigration status, sex, (including sexual orientation or transgender identity or expression), pregnancy, mental or physical disability, age, religion, height, weight, marital or family status, military status, ancestry or genetic information be discriminated against.

**Classroom Assignments**

During the summer months, all applications for enrollment and re-enrollment are reviewed and classroom assignments are determined. A number of criteria are used in this determination including but not limited to: previous teacher’s recommendations, special education needs, administrative recommendation, special needs, maturity, gender, etc. This is a professional decision that is determined by trained individuals who have the experience necessary to make such decisions. We do accept requests for twins to be placed in the same classroom. However, Huron Academy reserves the right to split up twins if it is determined to be in both children’s best educational interest. At Huron Academy we do not entertain any other teacher or classroom requests from parents. Please do not make such a request, as it is not our policy.

All traditional seated courses may also be held virtually. Students requesting a fully virtual course option must indicate interest during the regular scheduling process and must amend their Education Development Plan (EDP) plan to include virtual learning prior to submitting their course request form. For students who do not currently have an EDP, students must complete an EDP within the first three weeks of the start of the semester. All virtual courses have two-way communication requirements and students must respond to teacher and/or mentor-initiated communications.

**PLACEMENT, PROMOTION AND RETENTION POLICY**

Huron Academy recognizes that children vary in their personal, social, physical and educational growth. Children are placed in the educational setting most appropriate to their needs at the various stages of their growth. Parents will be informed about their child’s progress or lack thereof through progress reports, parent/teacher conferences, and report cards throughout the school year. Additional conferences may be scheduled with the parents to discuss the areas of difficulty and an intervention Plan.
Placement of students is determined by agreement among the opinions of the social worker, classroom teacher and academic testing. The Principal, as the leader of the school, shall have the ultimate authority to determine the placement, promotion and retention of all students under Huron’s administrative guidelines.

**CURRICULUM AND TEXTBOOK POLICY**

During the course of each school year, our curriculum is reviewed and updated. This is done to ensure that our students are receiving the very best education possible. We have intensely studied numerous curriculums and believe that the ones we have chosen will provide a quality education for your child.

The teacher will distribute all textbooks and consumable books. Each book will depreciate at a rate 20% in a school year; the student shall be fined a usage fee if damage or loss occurs. The fine will reflect a percentage of use based on the book original value.

Books shall be assessed as follows:

- **#5 (new)**: 100% of the book’s value for replacement
- **#4 (very good)**: 1 year 80%
- **#3 (good)**: 2 years 60%
- **#2 (fair)**: 3 years 40%
- **#1 (poor)**: 4 years 20%
- **#0**: Book is no longer usable

A book will no longer be usable and rated #0 under the following conditions: pages have been torn out, cover has been torn off, or answers or marks are written in the book. If a book is lost at some time during the school year; parents will replace it at its “beginning of the year” value. If a book is given out in usable condition and is damaged to the degree that it is no longer usable, the student shall be responsible to replace the book. The replacement cost shall be determined by what the value of the book was at the date of issue.

Students who mark with pencil, crayon, pen or marker at any time in Huron Academy’s books will be subject to a fine.

**LOCKERS**

Lockers that are located on Huron Academy grounds may only be used to hold books, backpacks, projects, writing utensils, lunch boxes/sacks, winter gear, and technological devices.

**FINES, FEES, & OTHER CHARGES**

The Academy will assess a fine when Academy equipment, property or supplies are damaged, lost or not returned by a student. The fee will be reasonable and charged to compensate for the loss or damage incurred.

Unsettled accounts such as, but not limited to, lost books, library fines, unreturned items that are the property of the Academy, are due at the end of the school year. Failure to pay fines, fees, or charges may result in the withholding of grades, diplomas, dance tickets, or other privileges. Unresolved obligations can be appealed to the School Leader or designee.

**HOMEWORK**

Homework is an important part of school life - it builds self-discipline, self-control organizational skills and independence into the life of a child. Homework works best when it does not introduce new skills or new content to a student. Homework at Huron Academy is normally used to accomplish the following:

- Review & reinforce what has been taught in the classroom.
- Practice skills.
- Complete long term projects and reports.
- Memorize facts.

The length of time that students need to complete a homework assignment varies widely and is dependent upon the teacher, grade level, and curriculum. It is highly suggested that students read every day for at least 20-30 minutes. This is one of the most important ways in which you can help your child succeed academically.
Students who are home ill for more than one day may be requested to complete homework. This information will be given to you at the same time that you report your child’s absence. The teachers will be notified and the homework assignments can be picked up in the school office on that day at the end of the school day.

Students who are out of school for a planned absence are expected to obtain all work from teachers prior to the planned absence. Students are expected to complete all work missed due to any absence.

**ABSENCE POLICY**

Regular school attendance is vital to each child’s academic success. Since even occasional absences constitute a handicap of the student’s progress, your cooperation in keeping absences at a minimum is expected. Learning goes on every day, and if a child is absent excessively, they will find it difficult to keep up with their schoolwork. Habits are formed in early years that have lasting results.

*IF THE HABIT OF BEING ON TIME IS FORMED EARLY, THE PATTERN WILL BE CARRIED THROUGHOUT THE YEARS TO COME.*

**Procedures**

1. Parents must call the School office between 8:00 - 9:00 a.m. to report their child’s absence or by voice mail prior to 8:00a.m.

2. Absences can be considered excused or unexcused.
   - Excused absences
     i. A phone call to the school office on the day of absence.
     ii. A parental note that is brought to the school upon student’s return.
     iii. Personal conversation between the parent and teacher or office staff on the day of the absence.
   - Unexcused absences – no note, phone call or personal communication.

3. Notification schedule:
   - 5 absences: letter home
   - 10 absences: second notification
   - 15 absences: Plan of Action Meeting with Administration
     ○ Administration reserves the right to notify the MISD Truancy officers
   - 20 absences: Immediate administrative review to determine MISD Truancy officer report
   - 40 absences: The administration can choose to retain the student for the following school year

4. If your child is experiencing extenuating circumstances, like a hospital stay or under doctor’s care, please contact the school administration. Notification from your child’s physician in these circumstances is required.

5. When making doctor or dental appointments, every effort should be made to schedule them after school dismissal. However, if it is absolutely necessary to leave during school hours, the parent/guardian must sign the child out in the school office. The office will then excuse the student from class.

6. When absences occur, it is the responsibility of the parent/guardian and/or student to make arrangements to make up any missed work. All assignments and schoolwork must be made up and returned on the day designated by the teacher. To receive assignments, a request can be called in by 9:00 a.m. to the office or you may make arrangements directly with the teacher.

7. A student that arrives to school after 10:00 a.m. (Metro. Pkwy.) and 10:30 a.m. (Utica Rd.) will be considered absent for 1/2 of a day.

8. The Academy will excuse any tardiness or absence related to a homeless student’s living situation when applying any school policy regarding tardiness or absences.

**TARDINESS POLICY**
Punctuality to school and to class is very important. At Huron Academy, we believe that a very important aspect of training is promptness. With promptness, a student demonstrates self-discipline and responsibility. Tardiness interferes with a pupil’s progress, and is also an injustice to the other pupils of the class who are disturbed by the tardy member. Self-discipline in this area is not only important for proper academic achievement, but it is essential for the development of good habits, which are characteristic of success and good citizenship.

A student is considered tardy to class when he/she is not in the classroom when it is time to begin class. Students who arrive tardy will be issued excused or unexcused tardy pass. Reasonable explanations are always accepted. However, habitual tardiness is not acceptable behavior and may result in further action. A tardy that is a result of sickness, accident or other reasonable problems deemed serious by the school is considered excused. Oversleeping is not considered excused. All other instances of tardiness are considered unexcused. Students are expected to attend class fully prepared with the materials needed for the class. Developing the habit of promptness is not only of great value in school but is also a great habit.

**Procedures**

- A student will be marked tardy if he/she comes to school after the attendance period (8:15 a.m. Metro. Pkwy. 8:45 a.m. Utica Rd.). If a student does arrive late for school he/she must report to the school office to sign in and receive a pass to class.
  - 10 tardies: first notification
  - 15 tardies: second notification
  - 20 tardies: Plan of Action meeting with Administration
  - Administration reserves the right to notify the MISO Truancy officers
  - Without continued improvement: Immediate administrative review to determine MISO Truancy officer report

- For the purpose of reporting to the MISO Truancy Department we will administratively weigh three (3) instances of tardiness as one (1) unexcused absence. If a student then reaches ten (10) unexcused absences using this scale the matter can be reported to the MISO Truancy Department as per their guidelines. This process will not affect the actual reporting of absenteeism on the official records or report cards, it will only be used to report to the MISO.
- Excessive tardiness may result in Board action, which may include suspension or expulsion.

**EMERGENCY PROCEDURES**

The Academy complies with all fire safety laws and will conduct fire, tornado, evacuation and lockdown drills in accordance with State law. Specific instructions on how to proceed will be provided to students by their teachers who will be responsible for safe, prompt, and orderly evacuation of the building. During practice lockdown drills, entering and exiting the buildings will be restricted for approximately 15 minutes. During an actual lockdown, a sign will be posted on the doors and parents/guardians/visitors must return to their vehicles. Situations may include external concerns such as hazardous material spills, police actions, etc.

**EMERGENCY SCHOOL CLOSING**

In the event of a snow emergency please watch or listen to local news broadcasts for school closures during snow emergencies. We will be listing Huron Academy on these local news broadcasts. We will do our best to follow the lead of the local districts in Utica and Warren but will make decisions for our own school when they either do not act quickly enough or do not act at all.

**PARKING, DROP OFF AND PICK UP PROCEDURES**

**Parking**

Parking is permitted only in the main parking lot. Handicapped spaces are available. Do not park in any section of the school except the main parking lot.

**Drop Off**

Classes will begin promptly at 8:15 a.m. at Metro. Pkwy. and 8:45 a.m. at Utica Rd. **All** students who arrive on campus prior to school start time **must** report to the latchkey room. At start time, they will be escorted to
their classrooms where teachers will then be available to directly supervise them. Students may not wait at the door of their classroom without adult supervision.

Traffic patterns at morning drop off time can become quite congested. To insure the smooth flow of traffic patterns at drop off time, please keep the following in mind. When dropping off students, all students should exit cars at curbside and should never cross the street except at the posted crosswalk. Never park your car in the drop off zone. If you have business in the main building, no matter how brief, please park in the main parking lot and be sure to have made an appointment.

**Pick Up (During school)**

If a student needs to be released from school early, the parent or other party that has been identified on the student’s emergency form must sign out the student at the main office. If a designated party (other than a parent) picks up that student, parental permission must be given to release the child early with prior notification either by phone, fax, e-mail or a signed note to school personnel. Proof of identification will be required for a designated party. The student will then be released to the custody of this adult.

**Pick Up (After school) (Modified during Covid-19 pandemic)**

To alleviate traffic congestion at dismissal time, Huron Academy has a staggered dismissal schedule:

- Preschool students are released at 3:00 p.m.
- Kindergarten students are released at 3:00 p.m.
- 1st grade students are released at 3:15 p.m.

Parents/guardians must pick up students at dismissal. unless you participate in the after school program. All students who are present on campus after dismissal will be escorted to the latchkey room by their teachers.

After dismissal the parent or other party that has been identified on the student’s emergency form must sign out all students. Identification will be required. Don’t be annoyed by this, rather, understand that we only have the safety of our student population in mind. In the event that your child is not in the latchkey room when you sign your child out (i.e. is on the playground, in another classroom, etc…) your child will be brought from their location. The child will be released to you at this time and therefore will always be under direct adult supervision.

**Walking home**

No student will be allowed to walk home unless a signed permission slip from the parent is on file with the Office. Please see the school office for such a form.

**Latchkey Program**

The Latchkey program times will be determined by the needs of the parents. The Latchkey program will be offered from 6:30 a.m. – 8:00 a.m. at Metro. Pkwy. and from 6:30 a.m. – 8:30 a.m. at Utica Rd. and the Latchkey program will be offered from 3:45 p.m. until 6:00 p.m. at Metro. Pkwy. and from 4:15 p.m. until 6:00 p.m. at Utica Rd. and is only offered for students who are enrolled at Huron Academy.

All students in the Latchkey program are expected to behave under the same expectations that are established during the school day. Failure to do so can result in exclusion from the program. Parents are expected to sign-in their children in the morning and sign-out their children when they pick them up; this is the established procedure to safeguard the students. Failure to do so can result in exclusion from the program. All accounts are expected to be current with no balance due to the school. Failure to do so can result in exclusion from the program. All students who are present on campus after dismissal will be escorted to the latchkey room by their teachers. The latchkey staff will directly supervise student activities until parents can arrive to pick them up. Students will not be allowed to play on the playground, visit or assist teachers or walk the campus without first checking into latchkey. Students who are found outside the school without adult supervision will be suspended until the administration and parents can meet and discuss a plan of action to have the student in latchkey.

Breakfast is available and served for a fee; it also qualifies for the federally subsidized free and reduced meals program or you may send your child in the morning with a breakfast. Please note that there will not be a microwave or refrigerator available. Milk can be kept cold in a thermos or with the use of an ice pack. Keep breakfast foods separate from lunch food. Please have all the necessary items available for him/her to eat breakfast.

**Cost**

Fees are paid up front in increments of $60.00. A schedule of fees will be provided to families that require this service.
• Every effort should be made to pick up students by 6:00 p.m. It is understood that emergencies do occur and that this is not always possible. However, if students stay beyond 6:00 p.m. for any reason a $1/minute fee will be accessed and payment for “overtime” after Latchkey is paid for directly either by check or money order.

LUNCH, MEAL CHARGE POLICY AND RECESS

Lunch
Students will be eating lunch in the multi-purpose/cafeteria room under the supervision of lunch program volunteers and Huron Academy staff.

1. Staff and faculty members are not able to heat up any food for students. Also, in fairness to all, parents may not use school equipment to heat up food for their children.

2. Proper behavior and eating habits are to be developed at home and should be carried out in school. Students will be required to:
   - Talk quietly during lunch period
   - Respect all, especially lunch volunteers
   - Use proper language and table manners.
   - Keep personal property at own eating area.

3. There are no refrigerators available for use. Please do not send drinks in glass bottles or containers.

4. It is important for all parents to make sure that their child has a lunch for every school day. If students do not have a sack lunch, a hot lunch will be provided and a charge will be issued to the parents. Huron Academy believes that no child should go without a lunch, but it is the parent’s responsibility to make sure that a sack lunch is provided or payment for a hot meal is made.

Meal Charge Policy
Students will pay for meals at the district’s published standard rate each day. A student will be allowed to charge a maximum of three (3) meals to their account after the balance reaches zero. He or she will then be offered a designated menu alternate when available. Sample: cheese sandwich, veggie sticks, fruit and milk. This designated menu alternate will be charged to the child’s meal account at the standard rate.

Parents/Guardians are responsible for meal payment to the food service program. Notices of low or deficit balances will be sent to parents/guardians at regular intervals during the school year.

Refunds for withdrawn and or graduating students will require a written request for refund of money remaining in their account. An email request is also acceptable. Students who are graduating at the end of the year will be given the option to transfer to a siblings account upon written request. Unfortunately, refunds are not available for “snow days” or other unforeseen school closures.

Unclaimed funds must be requested within one year. Unclaimed funds will then become the property of the Academy.

If a student is without meal money on a consistent basis, the administration will investigate the situation more closely and take further action as needed. If financial hardship exists, parents and families are encouraged to apply for free or reduced lunches for their child.

Recess
Students will have approximately 20-25 minutes for recess. The school asks that students do not bring toys or other items to play with from home. The school will not accept any responsibility for lost, loaned out or broken items that personally belong to students. The Academy administration reserves the right to disallow any items as it sees fit.

During the winter months, students will go outdoors for recess if the wind chill is at or above 20 degrees F. This will also apply if it is snowing outside or there is snow on the ground. Please provide snow pants, boots, hats, and gloves during these months.

No electronic media of any type is permitted at the Academy or at Academy-related activities.

POSITIVE INTERVENTION PLAN OF HURON ACADEMY

Huron Academy provides a school-wide behavior plan to support student’s efforts to manage their own behavior and assure academic achievement. Our teachers and administrators believe that clear and consistent classroom and school wide procedures and routines, promote positive behavior in students. We focus on intrinsic motivation such as encouraging words, strong relationships, and a fun learning atmosphere. Each classroom holds a “morning meeting,” which focuses on developing a caring community within the students and classroom. During the morning meeting, students discuss academics, rules, procedures, personal sharing, and consequences for negative behavior. They eventually feel empowered in their education. Students know the conduct expected of them and also understand the consequences for inappropriate behavior. This approach allows students to make good choices in regards to their behavior and ultimately allows for a smooth and successful school experience.

Teachers and administrators also consult with the school social worker and/or dean of students for assistance with implementation of the school behavior plan. The administration or teachers will not perform corporal punishment for any reason. This positive approach to discipline, which is effective for teachers, parents and students, assists Huron Academy in establishing a consistent discipline code throughout the building. Students know the conduct expected of them and also know the consequence for inappropriate behavior.

Objectives:

1. To achieve consistency in discipline for kindergarten through 7th grade.
2. To increase classroom time on task.
3. To provide students with clear expectations concerning behavior.

to and/or directly impacts the operation, order, discipline or general safety and welfare of the school. Violations,
including violations of the electronic and wireless communications devices and Network and Internet use policies,
may result in an out-of-school suspension, long-term suspension, or expulsion depending on the severity of the
offense and the requirements of the law.

The Academy will comply with the Individuals with Disabilities Education Act (IDEA) and Section 504 of
the Rehabilitation Act of 1973 when disciplining student with disabilities.

   - Group projects would be an exception, with teacher permission.

   Whenever a student is guilty of cheating, the teacher shall collect the student’s work, mark a zero for the
work and notify the parent and office as to the action taken. The parent shall be notified that a second offense could
result in a suspension.

**Forgery**
Students will not fraudulently write the name of another person or falsify times, dates, grades, addresses or other
data.

**Damage of Property**
Vandalism and disregard for Academy property will not be tolerated. Actions include, but are not limited

**Verbal Assaults/Written Threats**

Verbal assault means a threat of an immediate harmful or offensive touching, coupled with an apparent immediate ability to commit same, and which puts a person in a reasonable apprehension of such touching, or, the use of offensive language directed at a person, when such language is likely to provoke a reasonable person to physical violence, a bomb threat (or similar threat) directed at an Academy building, other Academy property, or an Academy related activity or event. For purposes of this policy, the definition of assault also includes written threats.

Under the Revised School Code, any student in grade 6 or above who commits a verbal assault on Academy property, on an Academy vehicle, or at an Academy sponsored activity or event against an Academy employee or against a person engaged as a volunteer or contractor for the Academy, or another student may be suspended or expelled by the Board or designee for a period of time determined in the discretion of the Board or designee.

employee or against a person engaged as a volunteer or contractor for the Academy, or another student may be suspended or expelled depending on the severity of the circumstances.

**Bullying**

It is the policy of the Academy to provide a safe educational environment for all of its students in compliance with the law. Bullying is strictly prohibited. Under state law, bullying is defined as any written, verbal or physical act or electronic communication, including but not limited to cyberbullying that is intended or that a reasonable person would know is likely to harm one or more students either directly or indirectly by doing any of the following:

- Substantially interfering with educational opportunities, benefits or programs.
- Adversely affecting the ability of a student to participate in or benefit from the Academy’s educational programs or activities by placing the student in reasonable fear of physical harm or by causing substantial emotional distress.
- Having an actual and substantial detrimental effect on a student’s physical or mental health.
- Causing substantial disruption in, or substantial interference with, the orderly operation of the Academy.

Bullying is equally prohibited without regard to its subject matter or motivating animus.

The School Leader is responsible for establishing procedures for the effective implementation of the policy. Bullying is strictly prohibited. All students are protected under this policy while on Academy property, in an Academy vehicle, at any Academy sponsored event, or while using an Academy owned and/or operated telecommunications service provider or Academy owned and/or operated telecommunication access devices. Any student who believes he/she has been or is the victim of bullying shall immediately report the situation to the School Leader. The student may also report the situation to a teacher or counselor who will be responsible for notifying the School Leader. Any complaints against the School Leader should be filed directly with CS Partners. All complaints are to follow established complaint reporting procedures.

Each complaint of bullying will be investigated by the School Leader in a prompt, thorough and impartial manner.

The Academy prohibits retaliation or false accusations against a target of bullying, a witness or another person with reliable information regarding an act of bullying. The highest level of confidentiality shall be maintained for an individual who reports an act of bullying.

The School Leader will report the occurrence of a bullying incident to the parents or legal guardians of all students involved.

Restorative Practices will be considered in the correction of bullying behavior. Restorative practices means practices that emphasize repairing the harm to the victim and the school community caused by the student’s misconduct.

**Harassment**

The Academy prohibits any type of harassment. Harassment includes, but is not limited to, any threatening, insulting, or dehumanizing gesture, use of technology, or written, verbal, or physical conduct directed against an individual that places an individual in reasonable fear of harm to his/her person or damage to his/her property, has the effect of substantially interfering with a student’s educational performance, opportunities, or benefits, or a staff member’s work performance, or has the effect of substantially disrupting the orderly operation of the Academy.

Harassment may be based on an individual’s race, color, ethnicity, national origin, sex (including sexual orientation and transgender identity or expression), pregnancy, mental or physical disability, age (except as authorized by law), religion, height, weight, marital or family status, military status, ancestry, or genetic information that are protected by Federal civil rights laws. Harassing conduct is not limited to in-person activity; it may include the use of cell phones or the Internet. Such behavior may take many forms, including, but not limited to, stalking, name-calling, taunting, cyberbullying, and other disruptive behaviors.

Harassment does not have to include the intent to harm another individual, be directed at a specific target, or involve repeated incidents.

Harassment creates a hostile environment when the conduct is sufficiently severe, pervasive or persistent as to interfere with or limit a student’s ability to participate in or benefit from the services, activities or opportunities offered by the Academy.

All administrators, staff, parents, volunteers, and students are expected not to tolerate harassment and to demonstrate behavior that is respectful and civil towards all other individuals associated with the Academy. Complaints alleging discrimination or harassment based on a student’s actual or perceived gender identity or
expression are to be taken seriously and handled in the same manner as other discrimination, bullying or harassment complaints.

Since bystander support of harassment can encourage these behaviors, the Academy prohibits both active and passive support for acts of harassment. Such active and passive support can result in disciplinary action.

**Sexual Harassment**

Sexual harassment is defined as:

- An employee conditioning the provision of an aid, benefit, or service of the public school academy on an individual’s participation in unwelcome sexual conduct (i.e., quid pro quo sexual harassment); or

- Unwelcome conduct determined by a reasonable person to be so severe, pervasive and objectively offensive that it effectively denies a person’s equal access to the Academy’s education program or activity; or

- Other verbal or physical conduct of a sexual nature which has the purpose or effect of interfering with an individual’s work or academic performance, or creating an intimidating, hostile or offensive work environment.

Sexual harassment may involve the behavior of a person of either gender against a person of the same or opposite gender.

No staff member or student in the Academy shall be subjected to any form of harassment, including sexual harassment, on Academy premises, on an Academy bus or vehicle or at any Academy sponsored event or activity. Students, who engage in harassment, including sexual harassment, will be subject to disciplinary action. Factors for determining consequences may include, but are not limited to:

- age, development, and maturity levels of the parties involved
- degree of harm
- surrounding circumstances
- nature and severity of the behavior(s)
- incidences of past or continuing pattern(s) of behavior
- relationship between the parties involved and
- context in which the alleged incident(s) occurred

The Academy prohibits intentionally making a false report of alleged sexual harassment, submitting a false formal complaint, or making or submitting false statements or information during the Title IX grievance process. Violation of this prohibition will result in disciplinary action.

**Hazing**

Hazing is a violation of state criminal law and prohibited at all times. Hazing is defined as an intentional, knowing, or reckless act by a person acting alone or acting with others that is directed against an individual and that the person knew or should have known endangers the physical health or safety of the individual, and that is done for the purpose of pledging, being initiated into, affiliating with, participating in, holding office in, or maintaining membership in any organization. Permission, consent, or assumption of risk by an individual subjected to hazing does not lessen the prohibition. The term “organization” includes, but is not limited to, a fraternity, sorority,
association, corporation, order, society, corps, cooperative, club, service group, social group, athletic team, or similar group whose members are primarily students at an educational institution. Hazing is a violation of state criminal law and prohibited at all times. A student who commits hazing on Academy property, in an Academy bus or vehicle, or at an Academy sponsored event will be subject to disciplinary action.

**Prohibition of Smoking**

The Academy prohibits the possession and/or use of any tobacco or nicotine products on Academy property, in an Academy bus or vehicle, or at any Academy sponsored event. This prohibition includes tobacco products, tobacco-related devices, imitation tobacco products, lighters, vaporizers (including any substance used in vaporizers), electronic cigarettes, electronic nicotine delivery systems” or other substitute forms of cigarettes, clove cigarettes or other lighted smoking devices for burning tobacco or any other substance. Violation of this policy could result in suspension or expulsion.

**Prohibition against Alcohol and Drugs**

The Academy prohibits the use, possession, concealment, sale, delivery, or distribution of alcohol, drugs (including marijuana), and/or any mind altering substances and/or related paraphernalia on Academy property, in any Academy bus or vehicle or at any Academy sponsored event. Mind altering substances are defined as illegal drugs. Prescription drugs in violation of the Academy’s medication policy, and any otherwise legal substances which, when used or consumed in an inappropriate manner, create alteration in perception, mood consciousness, cognition or behavior. Mind altering substances are not intended to include caffeine and like substances when consumed in moderation. Students under the influence of such substances on Academy property, in any Academy bus or vehicle or at any Academy sponsored event will be subject to this policy regardless of amount taken. Possession includes any substances as described below including but not limited to, bath salts, K-2, etc… and/or related paraphernalia found on the student’s person, purse, backpack, locker, vehicle, etc. Any searches will be conducted as outlined in the Search and Seizure section in the Student Handbook.

The term “drugs” includes:

- All controlled substances as so designated by the state of Michigan;
- All chemicals which release toxic vapors;
- Mind altering substances; and any otherwise legal substances which, when used or consumed in an inappropriate manner, create alteration in perception, mood consciousness, cognition or behavior. Mind altering substances are not intended to include caffeine and like substances when consumed in moderation.
- Marijuana;
- Any prescription or patent drug, except those for which permission to use at the Academy has been granted pursuant to Academy policies and procedures;
- “look-alikes”;
- Performance-enhancing drugs as determined annually by the Department of Community Health; and
- Any other illegal substance so designated and prohibited by law.

Also, if a student is found using or possessing a non-prescribed medication without parent/guardian authorization, he/she will be brought to the school office and the parents/guardians will be contacted for authorization. The medication will be confiscated until written authorization is received. Any student who distributes a medication of any kind to another student or is found to possess a medication other than the one authorized is in violation of the school's drug policy and will be disciplined in accordance with the drug-use provision below.

In line with the Safe and Drug Free School Policy, it is the belief of the Academy administration that drug and alcohol abuse in any school is a threat to the safety and health of students, staff and the school community as a whole. It is the policy of the Academy to take positive action through education, counseling, parental involvement, medical referral, and police referral in the handling of incidents occurring on Academy property, in any Academy vehicle, or at any Academy sponsored event involving the possession, sale or use of behavior affecting substances (including alcohol). Disciplinary action includes, but is not limited to substance abuse assessment, participation in a substance abuse rehabilitation program, drug and alcohol prevention activities, suspension and/or expulsion.

When handling violations of this policy, the School Leader will take into account all of the circumstances surrounding the incident, including but not limited to:
Medical Marijuana & Prescription Drug Policy

The Academy prohibits the abuse, possession, sale, or distribution of prescription drugs and medical marijuana. If a student disobeys this prohibition, the student will be subject to disciplinary action in line with Academy disciplinary policies and procedures.

The Michigan Medical Marijuana Act states that a person shall not sell or possess marihuana or otherwise engage in the use of marijuana, even if for medical use, in a school vehicle or on the grounds of any preschool or primary or secondary school.

Reasonable Suspicion Drug Testing

The Administration will require a student to submit to drug testing if the Administration has a “reasonable suspicion” that the student is using or is under the influence of any illegal drug, alcohol or any mind altering substance (whether illegal or not). Reasonable suspicion may arise from the following:

1. A student’s behavior, along with physical appearance, action and/or odor, indicating that the student has used an illegal drug, alcohol or any mind altering substance (whether illegal or not);
2. The student’s possession of an illegal drug, alcohol or any mind altering substance (whether illegal or not) and/or related paraphernalia; or
3. Information communicated to an Academy Administrator by a teacher, parent, law enforcement, or a student that indicates a student is using, possessing or under the influence of an illegal drug, alcohol or any mind altering drug (whether illegal or not). Any such report will be investigated by the Academy Administration and will be substantiated by other physical indictors or physical appearance, if deemed necessary.

The Academy Administrator will look at the totality of the circumstances when determining “reasonable suspicion”. After reasonable suspicion has been established and the student denies using drugs, the student will be asked to take a drug test administered by an Academy staff member. The student is suspended pending the drug test results. The Academy Administration will contact the student’s parents/guardians as soon as practicable. The cost of the test will be paid by the Academy and will be used for disciplinary action.

The student is expected to cooperate fully with this policy and the direction of staff in the administration of the drug test. If the student refuses to take the test; the student will be advised that such denial will be considered insubordination under the student code of conduct with the same consequences listed below. The student will then be given a second opportunity to take the test.

If the results of the drug test are positive:
1. First Offense – Up to ten (10) day suspension, with the possibility of long term- suspension or expulsion, depending on severity of the circumstances. Law enforcement contacted.
2. Second Offense - If a student violates the drug policy a second time, the student will be given a long-term suspension or permanently expelled from the Academy. Law enforcement contacted.

Drug test results are considered confidential, but may be discussed with the student’s guidance counselor or other Academy staff member if it is deemed necessary by the Administration in order to provide assistance to the student or for use in disciplinary action.

During a suspension or expulsion, a student is not allowed on Academy property, in an Academy vehicle or to participate in or attend any before or after school activities (including, but not limited to the student’s attendance as a spectator, participation in sport activities, or weekend activities occurring during the suspension/expulsion).

It is the policy of the Academy that a student’s eligibility for participation in interscholastic athletics will be affected by the use of any performance-enhancing substance as provided by statute, including but not limited to those performance enhancing substances banned in bylaw 31.2.3.4 of the bylaws of the National Collegiate Athletic Association, identified on any list developed by the Michigan Department of Community Health and any other substances within the discretion of the State Board of Education.

These guidelines shall include procedures for reporting violations of this policy to the student’s parents(s)/guardian(s), Principal and Board, procedures for referring permanently expelled students to appropriate Family Independence Agencies or County Community Health Agencies and specifics for the reinstatement of students.

- Detention: After school detentions can be issued by any staff member for any student who does not live up to the Student Responsibilities listed above or who violate the Discipline Policy. After school detentions are served from 3:30 p.m. until 4:00 p.m. at Metro. Pkwy. and 4:00 p.m. until 4:30 p.m. at Utica Rd. Students are expected to serve their detention on the scheduled date. In the case of absenteeism, the student will serve the detention on the day they return to school. Students are expected to arrive at the detention area on time. If a student is late to detention, then one additional detention will be issued. If a student deliberately misses a scheduled detention, then two additional detentions will be issued. If a student does not serve these additional detentions, then that student will be subject to suspension. Students who are not picked up after detention will be escorted to the latchkey area and the parents will be responsible for signing them out there.

- Snap Suspension: A teacher may suspend a student from class or activity for conduct that disrupts the educational process. Physical removal of a student in this situation requires adherence to all seclusion and restraint guidelines. The student may be suspended for up to one (1) full school day. The teacher must report the suspension and the reason for the suspension to the School Leader. The student will be removed from the classroom or activity and will return to the classroom only with the concurrence of the teacher and the School Leader. If the student needs to remain in the Academy, the student will be under appropriate supervision. As soon as possible after the suspension, the teacher will meet with the parents/guardians. If practicable, a school counselor, psychologist or social worker also will attend the conference. The School Leader will attend if the teacher or parents/guardians request it. If the “snap” suspension results in a short-term suspension, long-term suspension and/or expulsion, then due process must be ensured and a hearing must be held by the School Leader or designee according to the suspension and expulsion guidelines below.

Exclusion during Suspension/Expulsion

During a suspension or expulsion, a student is not allowed on Academy property, in an Academy vehicle or to participate in or attend any before or after school activities (including attendance as a spectator, participation in a sport activity, or weekend activities occurring during the suspension/expulsion). For further information, please review the administrative guidelines for suspension and expulsion.

Short-Term Suspensions

A short-term suspension is defined as the denial to a student of the right to attend classes and any Academy function/activity for up to ten (10) school days.

Long-Term Suspensions

A long-term suspension is defined as the denial to a student of the right to attend classes and any Academy function/activity for more than ten (10) days, but less than expulsion. To ensure due process, expulsion procedures will be used for long-term suspensions.

Expulsions

An expulsion is denial to a student of the right to attend classes and any Academy function/activity for at least one semester, but can be permanent. Expulsions can occur as a result of severe cases of inappropriate behavior, repeated violation of school policy, and/or as required by law. It is the responsibility of the parent or legal guardian to locate a suitable alternative education program and to enroll their child in a program during expulsion.

Progressive Discipline
The Academy uses progressive discipline to determine the severity of the consequence for the student. Progressive Discipline involves increasing the severity of the penalty each time the student displays inappropriate conduct. This process is intended to correct the behavior of the student, not to punish the student. The investigator will take into account all of the circumstances surrounding the incident, including, but not limited to: the nature, severity and frequency of the misconduct; the student’s age; the student’s disciplinary record, whether student has a disability; development and maturity of the students involved; whether the violation or behavior threatened the safety of any other student or staff; whether a lesser intervention would address the violation or behavior; whether restorative practices will be used; and the context in which the alleged incident(s) occurred. Restorative practices shall be considered as an alternative or in addition to suspension or expulsion.

**Due Process Rights**

All students suspended and/or expelled will be provided notice and an opportunity to be heard in accordance with a student’s due process rights under the law.

Nothing in this Policy shall diminish or be in derogation of the due process rights accorded to students who have been determined to be eligible for special education services under federal and State laws.

**Application to Students with Disabilities**

This policy shall be applied in a manner consistent with the rights secured under Federal and State law to students who are determined to be eligible for special education programs and services. The Academy will comply with the Individuals with Disabilities Education Act (IDEA) and Section 504 of the Rehabilitation Act of 1973 when disciplining students. Behavioral interventions will be used with students with disabilities to promote and strengthen desirable behaviors and reduce identified inappropriate behaviors. No special education or Section 504 student will be expelled if the student’s misconduct is a manifestation of his/her disability as determined through a manifestation hearing.

However, the Academy can decide unilaterally to remove a student from his/her educational placement to an interim alternative educational setting, even when the student’s behavior was found to be a manifestation of the student’s disability, in the following circumstances as defined by federal law:

- The student carries a weapon to or possesses a weapon at the Academy or at an Academy function.
- The student knowingly possesses or uses illegal drugs, or sells or solicits the sale of a controlled substance while at the Academy or at an Academy function.
- The student has inflicted serious bodily injury upon another person while at the Academy or at an Academy function.

**Annual Review**

As part of its oversight function, the Board will revisit this policy annually and review the effectiveness of the policy and, if necessary, consider any policy or procedural changes that may increase the policy’s efficacy.

**Seclusion and Restraint**

The safety and wellbeing of all the students at Huron is our primary concern. The Academy does not condone the use of unreasonable force and fear as an appropriate procedure in student discipline.

FIELD TRIPS

At Huron Academy, we consider field trips part of the educational process, as they do enhance learning. All students are preferred to attend any field trips scheduled for their class. Notices and permissions slips will be sent home with students and returned before the student will be permitted to go on the field trip. If your child is not attending the classroom trip, he will still be expected to attend school that day. Involved parents will be requested to
assist in supervision. Chaperones must be on the bus to watch over assigned children, make frequent head counts and receive updates from the classroom teachers. Parents may not drive independent of the bus and still help as a chaperone. Parents who would like to attend the field trip but must bring another child along (infant for example) can’t ride on the bus or act as a chaperone. They may, however, participate (provided they have paid for all members) in the activities. Any parent who chooses to drive their child independently of the bus will be marked absent for the day’s activities and will not be considered an active member of the field trip. That child will not be able to participate in any of the school driven activities. In addition, parents may not remove children from the field trip early. If an emergency occurs, the parent must notify the administration and the classroom teacher for an exception to this rule. Dress code will be determined based on the nature of the field trip.

**LOST AND FOUND**

Parents and students are responsible for checking the Lost and Found. Any items remaining in the Lost and Found when school breaks at Christmas, Easter and Summer will be donated to local charities. For this reason, please check the Lost and Found frequently for lost or missing items.

**ACCIDENT, INJURY, AND ILLNESS POLICY**

To provide for the care of your children, should they have an accident, the teachers and aides will follow the policy below:

1. Take care of the child’s immediate need first.
2. Any serious injury will be reported to the administration and the parents immediately.
3. Check child’s emergency card, which is kept on file in the office. A health form will be filled out at registration noting health or other problems. Parents should notify the school upon any change in the student’s health.
4. If a child needs emergency or hospital care, the supervisor will notify the principal and also contact the parents or alternate. If necessary, emergency services will take the student to the hospital and await the arrival of the parents or alternate. Typically, the decision is made by emergency medical technicians or other first responder.
5. Any accident that requires a report shall be completed and kept on file in the office.

A student who becomes ill during the school day should request permission to go to the school office. The School Leader or designee will determine whether or not the student should remain in school or go home. No student will be released from school without proper parent/guardian permission.

In the interest of your child’s health and for the protection of other students, we will expect you to pick up your child if he or she has a fever, persistent cough, rash, head lice, pink eye or other symptoms of illness. The school office needs to be notified if your child is absent with a communicable disease. In this case, please see the section regarding Communicable Diseases. If your child has been ill, be sure that he or she is fully recovered before returning to school.

**When to keep your child home:**

We want to work together to ensure that our children and their health are protected. Please keep your child home when they are sick. As a general guideline, a student should not return to school until they have been fever-free for 24 hours, not vomited in 24 hours and/or rashes have been addressed by the family’s physician.

**COVID-19**

Monitor your children for symptoms of COVID-19. If your child has one or more of the following symptoms, a fever greater than 100.4, a new or worsening cough, shortness of breath/difficulty breathing, runny nose and/or congestion, body aches and/or tiredness, vomiting and/or diarrhea and a new loss of smell or taste, keep the student home from school and follow up with a primary care provider.

Students who become ill with symptoms of COVID-19 during the school day will be placed in an identified quarantine area with a surgical mask in place until they can be picked up. Symptomatic students sent home from school should be kept home until they have tested negative or have completely recovered according to CDC guidelines.

**COMMUNICABLE DISEASES**
Because a school has a high concentration of people, it is necessary to take specific measures when the health or safety of the group is at risk. The school’s professional staff has the authority to remove or isolate a student who has been ill or has been exposed to a communicable disease or highly transient pest, such as lice, or may have another suspected illness.

Specific communicable diseases include, but are not limited to, the following: conjunctivitis (pink eye), diphtheria, scarlet fever, strep infections, whooping cough, mumps, measles, rubella, COVID-19 and other conditions indicated by the Local and State Health Departments.

Any removal will be for only the contagious period as specified in the school’s administrative guidelines. Parents / guardians are asked to notify the school office if your child has contracted a communicable disease, e.g., mumps, rubella, pink eye, COVID-19, etc. The school is obligated to communicate to other families and students the possibility that they may have been exposed to a communicable disease.

Any child who contracts a contagious illness or infection must have written notification from the doctor indicating the student is safe to return to the classroom. This written notification must be submitted to the school office before the student can be readmitted to class.

The Academy is required to notify the local health department when a confirmed case of COVID-19 is identified at the Academy. In addition, the Academy is required to cooperate with the health department in implementing department protocols for screening students, including contact tracing.

**IMMUNIZATIONS**

Students must be current with all immunizations required by law or have an authorized waiver from State immunization requirements. If a student does not have the necessary shots or waiver, the school administrator may remove the student or require compliance with a set deadline. This is for the safety of all students and in accordance with State law. A certified waiver will be provided to the parent/guardian by the local health department to provide to the Academy. Immunization waivers will not be accepted by the Academy unless signed and stamped by the local health department. Any questions about immunizations or waivers should be directed to the school office.

**MEDICATION/TREATMENT POLICY**

Medications/treatments should be administered to schoolchildren by parents whenever possible. When necessary, the school principal and other persons designated by the school principal may administer medications to students under established conditions. The following definition of “medication” is adopted for use at Huron Academy: medication includes prescription, non-prescription and herbal medications, and includes those taken by mouth, by inhaler, those that are injectable, and those applied as drops to eyes, nose, or medications applied to the skin. This policy also applies to any medically-prescribed “treatments”. “Treatment” refers both to the manner in which a medication is administered and to health-care procedures which require special training.

Non-prescription medication (over the counter) medications are those that are sold directly to the consumer without a prescription from a physician or health care professional. Non-prescription medications may include, but are not limited to, acetaminophen, ibuprofen, cough syrups, antihistamines, etc.

Before any type of medication may be administered by school personnel and/or self-administered by a student at Huron Academy, school personnel must receive a completed Request for Administration of Prescribed Medication to Students Form. This form requires:

- Clearly written instructions for administration of the medication signed by the prescribing physician. These instructions must include the name of the pupil, the name of the medication, dosage of the medication, route of administration, and the time the medication is to be administered to the pupil; AND
- The parent/ legal guardian’s written consent to administer medication to the student.

All written instructions and consent forms will be kept on record in the school office. These forms may be reviewed periodically to maintain complete and accurate medication records.

ALL Medications/treatments prescribed and/or over the counter, must be given to the school principal and other persons designated by the school principal located in the school office. The parent/legal guardian is responsible for safely delivering all medications to the school office. Do not give these medications to teachers or the latchkey staff.

Prescription medication must be in a pharmacy container and must clearly identify the student, the dosage, and the prescribing physician. Medications that are provided in envelopes or other non-specified containers will not be accepted. The parent/legal guardian is also responsible for providing a sufficient quantity of medication so that the school can comply with the physician’s orders. Classroom teachers will be informed by the office of parental
consent and physician approval. All medications will be stored in a safe and secure place. School personnel authorized to administer medications to students shall be provided appropriate instruction.

The Request for Administration of Prescribed Medication to Students Form can be obtained at the school office. It is the parent/legal guardian’s responsibility to have the Request for Administration of Prescribed Medication to Students Form completed and returned to the school office before any medication can be administered. The completed Request for Administration of Prescribed Medication to Students Form is effective for one year from the date of the physician’s signature unless the attending physician makes changes regarding medication administration (i.e. dosage, time of administration) in writing.

If the student refuses to take the prescribed medication, the parent or guardian will be contacted immediately. If the parent or guardian is not available, the physician on record will be contacted. The student’s medication log record shall reflect the reason the student did not take the prescribed meds (not in attendance, vomited up, refused, etc.).

Parents/guardians are responsible to inform the Academy in writing of any medical issue that involves a medical action plan. Examples of medical issues may include, but are not limited to, life-threatening allergies (requiring the need for an epinephrine auto injector, i.e., EpiPen®), diabetes, epilepsy, asthma seizures or any condition of a serious nature affecting the health of the student. The Academy, parents/guardians and the student’s physician will participate in developing a medical action plan.

Students may possess and self-administer a metered dose or dry powder inhaler for relief of asthma, or before exercise to prevent onset of asthma symptoms, while at the Academy, on Academy-sponsored transportation, or at any Academy-sponsored activity, if the following conditions are met:

- There is written approval from the student's physician or other health care provider and the student's parent/guardian to possess and use the inhaler; and

- The School Leader or his/her designee has received a copy of the written approvals from the physician and the parent/guardian.

These students should be instructed by their parents/guardians to notify their teacher each and every time they use their inhaler so that frequent use can be communicated to the parents/guardians. It is recommended that an extra inhaler be kept in the Academy Office.

Students with a need for emergency medication may also be allowed to self-possess and self-administer such medication, providing that they meet the conditions established in the medical action plan.

Students may use a U.S. Food and Drug Administration (FDA) approved over-the-counter topical substance at school, such as sunscreen, if both of the following conditions are met:

1. If the student is a minor, the student has written approval to possess and use the FDA substance from his or her parent or legal guardian.
2. The School Leader has received a copy of the written approval.

Students with disabilities who have an Individualized Educational Program (IEP) or Section 504 Plan are included under the policy and procedures that govern the administration of medications. Note: The policy and procedures do not violate either the Individuals with Disabilities Education Act (IDEA) or Section 504 of the Rehabilitation Act. Failure to follow these procedures will result in termination of medication administration for the student at school. Questions regarding the administration of medication should be directed to the school principal.

**Epinephrine Auto-Injectors**

Michigan Law allows the Academy to maintain a supply of emergency epinephrine auto-injectors to be used during emergency situations where a student, not previously diagnosed with known allergies, may suffer a life-threatening allergic reaction or anaphylaxis. Academy staff members are properly trained in the use of epinephrine auto-injectors in case of an emergency.

**REPORT CARDS/INTERIM REPORTS**

Report cards are issued four times a year at the end of each quarter. The card-marking period is approximately nine (9) weeks in duration. An interim report indicating any difficulties a student is having may be sent home approximately at the mid-term point of each quarter (5 weeks into the new card-marking period). A parent/teacher or administration conference to discuss the academic progress and solution may be called in the event a student shows deficiency in any subject.

Our goal is to continually keep parents informed of their children’s progress. The interim report is one tool we utilize. There should be ABSOLUTELY NO REASON for a parent being surprised about their child’s progress in school.

**PARENT/TEACHER CONFERENCES**
Parent/Teacher conferences may be held in conjunction with all report-card markings. Parents/guardians will be scheduled to confer with teachers during this time. (See school calendar for conference dates and times).

**PARENT/TEACHER CLUB – VOLUNTEER PROGRAM**

In an effort to aid in communication, we encourage parents/guardians to become active members in our Parent/Teacher Club. The purpose of such an organization is to enhance relationships between parents/guardians and teachers.

**PARENT/FAMILY INVOLVEMENT POLICY**

Huron Academy recognizes that a child’s education is a responsibility shared by both the school and the child’s family. In order to provide the most effective education for all students, Huron believes that teachers and parents must work as knowledgeable partners.

Huron Academy, in collaboration, with parents, has established programs and practices that enhance parent involvement and reflect specific needs of students and their families. These include, but are not limited to, the following components of successful parent involvement programs:

- Communication between home and school is regular, two-way, and meaningful.
- Responsible parenting is promoted and supported.
- Parents play an integral role in assisting student learning.
- Parents are welcome in the school, and their support and assistance are sought.
- Community resources are made available to strengthen school programs, family practices, and student learning.

Huron Academy also supports professional development opportunities for staff members to enhance understanding of effective parent involvement strategies. The administrative leadership also helps to set expectations and create a climate conducive to parental participation. The Academy shall ensure that parent and legal guardians of a student enrolled in the Academy have the opportunity to review the curriculum, text books and teaching materials of the Academy at a reasonable time and place and in a reasonable manner. The Academy will permit parent and legal guardians to observe instructional activity in a class or course in which the student is enrolled in accordance with procedures set by the School Leader. These observations are subject to reasonable restrictions, controls and limits. Huron Academy will ensure that all information related to Academy and parental activities is in a language all parents can understand, especially from diverse cultural, socio-economic and language backgrounds.

Huron Academy believes that parent/family participation is essential to improved student achievement. We will provide assistance to parents in the way of training, including technology, to foster and support parent involvement. In order to further this goal Huron Academy provides training to staff members, which focuses on strategies to communicate effectively with families.

Huron Academy has developed the following programs to help parents participate in their child’s education. These include but are not limited to: Transition team and school-wide transition day, Jump into Kindergarten and Kindergarten Transition Day, Reading with a service dog, Science Olympiad, and Destination Imagination.

**Title I, Part A**

As part of its parent involvement policy, Huron Academy will invite parents/guardians to attend two Title I meetings (Title One Parent Night and Title One Annual review meetings) designed to provide Title I information and program services, and to solicit from parents/guardians suggestions on the program development, planning, evaluation and improvement. These meetings will also provide you with tools to help your child (ren) at home. All parents are invited to fill out surveys regarding Title 1 programs and services. (118c5) This is an opportunity for parents that cannot attend the meetings.

Parents of students participating in the Title I program will be notified of student selection and the selection criteria. Parents will be informed regarding their student’s achievement level on state academic assessments and progress. Student progress is also communicated at least every 5 weeks through report cards, progress reports, and direct communication from support staff. Huron Academy will provide assistance to parents in understanding Title I programs and services, including, when practicable, providing information in a language they can understand. The Title I coordinator can be contacted through the main office and available for meetings.
The school-parent-student compact will outline how Huron Academy, parents and students share the responsibility for improving academic achievement. The school-parent-student compact will be discussed and signed annually during parent-teacher conferences. We encourage all parents at any time to volunteer or visit any Title program that Huron Academy offers.

The complete Parental Involvement Policy for Huron Academy is available in the school office.

HANDBILLS, FLYERS, PRINTED MATERIALS

The distribution, sharing or posting of any posters, flyers, memos, handbills or other printed materials must first be approved by the school principal.

DONATIONS

All donations made to the school must first be approved by the school principal.

CHARITABLE REQUESTS

A maximum of 2-3 all-school fundraisers will be allowed each year. All requests for fundraising must be submitted for approval to the Parent/Teacher Club. The PTC will determine annually which organizations Huron Academy will be supporting for that year. All organizations and fundraising activities must be consistent with Huron Academy’s mission and philosophies.

VOLUNTEERS AND VISITORS

We believe very strongly that parents should become an active part of Huron Academy. There are several areas in which we would like to have parents volunteer and assist in the smooth operation of the school. We will be establishing a program for our parents to serve in the many areas where we will need assistance. Please contact the office and offer your assistance.

When volunteering or visiting it is essential that your first sign in at the office located in the main school building. If the safety of our students we must insist on this, so always sign in when you are on campus for any reason.

VOLUNTEER GUIDELINES

All Volunteers:

We believe very strongly that parents should become an active part of Huron Academy. To this end, parents and other adults are encouraged to volunteer at the Academy. The administration may impose conditions on the presence of volunteers, as he or she deems reasonable and appropriate, so that volunteers do not disrupt the educational program.

All volunteers at Huron Academy are expected to abide by these important guidelines:

- All volunteers are required to first sign in at the office located in the main school building, when arriving on campus for any reason.
- It is preferred that volunteers make advance arrangements with the teacher(s) regarding date(s), time, and length of service in the classroom whenever possible.
- To optimize the assistance provided to the teacher and students, parents are not permitted to bring younger siblings/children during their volunteer time unless the teacher or administration has pre-approved that volunteer activity as sibling-friendly.
- All volunteers are expected to follow and role model the same value system that is taught in the Academy’s character education initiative. Volunteers who create a disturbance, who break school rules and procedures, and who do not demonstrate the same values as Huron Academy will not be allowed to volunteer at the Academy.
Volunteers must engage in a positive manner with all students, and refer all incidents of injury and/or medical issues to the staff person on duty and to the homeroom teacher. Volunteers must be available to answer all questions as needed regarding the injury/accident.

Volunteers must report any incidents of disruption, non-compliance, or any incidents concerning student behavior (i.e., do not engage in disciplinary action with students). All misbehaviors should be reported to the homeroom teacher, extreme cases of misbehavior should be reported to the administration. Volunteers must be available to answer all questions as needed regarding any incident.

If there is more than one parent volunteering in a classroom at the same time, the volunteer’s full attention must be given to assisting the teacher and supporting the students. If the volunteers wish to chat with each other, they must do so outside of the classroom.

Volunteers should not use cell phones and other electronic devices in the classroom or when supervising students unless using the phone to contact the front office in an emergency.

Volunteers should be aware of special situations for students as explained by staff (allergies, physical limitations, loss recess privileges, etc.) and abide by those staff instructions.

Confidentiality is of the utmost importance, especially when parents volunteer in the classroom and school. Communication of personal and educational information regarding students, parents, staff or administration must be regarded as confidential and safeguarded.

Volunteers must not be privy to student personal and educational information in the course of the duties assigned to them (i.e. copying move-up certificates, helping with report cards, transferring assessment data of any kind, etc…)

The purpose of these guidelines is to ensure that the learning environment is optimized for students. We appreciate the cooperation of parents in following these important guidelines, and we are very appreciative of those parents who are able and willing to dedicate their time to supporting the education of all children at Huron Academy.

**Specific guidelines for lunch**

- Students are required to exhibit proper behavior:
  1. Talk quietly during lunch period
  2. Respect all, especially lunch volunteers
  3. Use proper language and table manners.
  4. Keep personal property at own eating area.

Specific guidelines for indoor recess

If there is a problem during indoor recess, the volunteer should check the hall for the teacher on duty. The volunteer should inform the teacher on duty of the problem immediately and wait for the teacher’s assistance. If the teacher on duty is not immediately available, the volunteer must contact another classroom to get help from that teacher, or call the front office for help. During an emergency, the volunteer should not wait for help, but call the front office immediately. The volunteer is allowed to use a cell phone or the classroom phone for this purpose.

Phone instructions

Every classroom has a telephone and an extension list by the phone. It is on bright orange paper. The front office is on the lower left of the list. In the case of an emergency, volunteers should pick up the phone and dial the front office for an Administrator

VISITOR GUIDELINES

Until further notice, visitors (including parents and guardians) are not allowed in an Academy building except under extenuating circumstances due to COVID-19. Visitors will be screened for symptoms, must wear a facial covering at all times inside an Academy building, and must wash/sanitize their hands.

In order to ensure the safety and security of Academy students and staff, only visitors who have a legitimate purpose will be permitted on Academy grounds. The Principal may prohibit the entry or expel any person if there is reason to believe that the presence of such person would be detrimental to the good order of the school or a disruption to the academic environment. The Principal may also call local law enforcement to provide additional assistance if necessary.

The Academy requires that all visitors including volunteers, parents and other family members register at the School Office immediately upon arrival. If a visitor wishes to observe a particular classroom, that observation needs to be scheduled in advance with the administration. Similarly, students from other schools wishing to visit the Academy must receive permission from the administration prior to arrival.

Children accompanying visiting parents must be directly supervised at all times inside the school building, on the playground, and in the parking lot and walkways. This applies to Academy-enrolled children before school and after school, and to non-Academy-enrolled children at all times.

These settings include Academy-sponsored events (both on and off Academy property and traveling to and from such events), Academy premises (leased, owned or used by the Academy), Academy vehicles, and at any activity authorized or approved by the Academy. Any person who violates the policy will be referred to law enforcement.

Visitors, who are rowdy, commit a verbal assault on the premises, or who are otherwise disorderly, will be asked to leave the premises; this type of behavior is unacceptable.

Sex Offenders

Visitors, including parents, who are registered sex offenders, are required to so notify the Academy administration before they visit the Academy and to strictly comply with all applicable school safety legislation. The Academy administrator may impose conditions on the presence of registered sex offenders on Academy premises, or at Academy functions, as he or she deems reasonable and appropriate.

- The offender must leave school grounds immediately upon conclusion of their business.
- The offender must leave school grounds immediately if requested to do so by an Academy administrator or his/her designee.
TECHNOLOGY IN THE SCHOOL

INTERNET ACCEPTABLE USE

The Academy is committed to the effective use of technology to both enhance the quality of student learning and the efficiency of Academy operations. It also recognizes that safeguards have to be established to ensure that the Academy’s investment in both hardware and software is achieving the benefits of technology and inhibiting negative side effects.

In order for any student to use the local and wireless network, Internet connection and/or data and exchange servers, he/she must read and agree to these guidelines. The agreement must also be signed by a parent or guardian.

A user name and password will be issued once the student agrees to these guidelines. Until then network use will not be allowed. The use of the Internet is a privilege, not a right. Inappropriate behavior or violation of acceptable use agreement may lead to penalties including revoking of a user’s account, disciplinary action (including suspension or expulsion), and/or legal action.

PHONES, COMPUTERS AND INTERNET

All computers, telephone systems, electronic mail systems, and voice mail systems are the Academy’s property and shall only be used for educational and business purposes. The use of the Internet by Academy staff and students is a privilege, not a right. The Academy shall establish computer use agreements to provide guidance to staff and students concerning the appropriate and ethical use of Academy computers, software and other equipment as well as any networks that may be established.

To access e-mail and/or the Internet, Academy staff and students must sign and return the Network and Internet Acceptable Use Agreement. For students, the agreement must also be signed by a parent or guardian. All staff and students shall abide by the Academy’s Network and Internet Acceptable Use guidelines. Academy staff and students will receive an account number or password only after signing the Network and Internet Acceptable Use Agreement. The assignment of a password does not guarantee confidentiality. The Academy reserves the right to monitor access and review all electronic and voice mail messages, computer files, data bases and any other electronic transmissions. If a personal WCD is used on Academy property, in an Academy vehicle or at any Academy–sponsored event, students must only use the Academy’s filtered Network for data access (either wirelessly or through a direct connection).

The Academy shall monitor on-line activity of staff and students in an effort to restrict access to child pornography and other material that is obscene, objectionable, inappropriate and/or harmful to minors in accordance with the Children’s Internet Protection Act (CIPA). The Academy reserves the right to monitor or review Internet files, including web pages and usage logs. Staff or students who happen to find materials deemed inappropriate while using the Internet shall refrain from downloading this material; immediately leave the Internet site; shall not identify or share the location of this material; and will immediately report the incident to the School Leader. The transfer of certain kinds of materials is illegal, and punishable by fine or jail sentence. Both staff and students will be subject to disciplinary actions if Academy technology and/or networks are abused in any way or used in an illegal or unethical manner. Any inappropriate use of the computer networks by staff and students will result in the loss of the privilege to use the network and possible disciplinary action. Any flash drive used at the Academy must also be free of any inappropriate content.

Inappropriate network and Internet use is not limited to the following:

- Using offensive or inappropriate language or language that would promote violence or hatred;

• Accessing personal social networking sites, such as but not limited to Facebook, Twitter, MySpace, YouTube, Google+, Instagram, Snap Chat, Tumblr, Pinterest, Vine, Yik Yak, VK, Linkedin and Flickr etc., without specific permission from the Administration.

Students and staff are prohibited from sending offensive, discriminatory, or harassing electronic or voice mail messages. Messages relating to or in support of illegal activities will be reported to the appropriate authorities. Staff shall not access personally identifiable student information from an unsecured location or over an unsecured network. Staff shall ensure that all such student information is protected from any unauthorized viewing, including parents, volunteers, or anyone that does not have a legitimate educational purpose in viewing that information.

Computer equipment provided by the Academy, including but not limited to network servers, desktop computers, thin clients and laptop computers, are the property of the Academy. The Academy guidelines as set in the computer use agreement apply to the use of all Academy computer equipment at all times whether inside or outside of Academy property. Staff and students may not copy software on any Academy computer and may not bring software from outside sources for use on Academy equipment without the prior approval of the Administration. The installation of additional software on Academy owned computers must be pre-approved by the Administration and only in accordance with licensing agreements and copyright regulations. The Academy condemns the illegal distribution of software, music and videos, known as pirating. Software pirating is a federal offense punishable by fine or imprisonment. Staff engaged in software pirating shall have their computer confiscated.

All computers, local and wireless network, Internet connection and/or data and exchange servers are the Academy’s property and shall only be used for educational and business purposes. The computer hardware (monitors, terminals, keyboards, mice, etc.) are Academy property and any mistreatment or damage will be considered destruction of property or vandalism.

The Academy makes no guarantees, implied or otherwise, regarding the reliability of the data connection. The Academy and any of the sponsoring organizations shall not be liable for any loss or corruption of data resulting while using the Internet connection.

The Academy strongly condemns the illegal distribution of software otherwise known as pirating. Software piracy is a Federal offense punishable by fine or imprisonment.

Students are prohibited from allowing other individuals to use their account or use other individuals’ accounts for Network and Internet activities.

Through the use of the Internet, any actions taken by students reflect upon the Academy system as a whole. As such, all students are required to behave in an ethical and legal manner.

Users must release CS Partners, the Academy, and all other sponsoring organizations related to the Internet connection from any liability or damages that may result from the use of the Internet connection prior to having access. In addition, users must accept full responsibility, as well as legal and financial liability for the results of their actions regarding their use of the Internet. Users must release the Academy and related organizations from any liability relating to consequences resulting from their use of the Internet.

Students will be subject to disciplinary actions if Academy technology and/or networks are abused in any way or used in an illegal or unethical manner. Any inappropriate use of the computer networks or violation of these guidelines by students will result in the loss of the privilege to use the network and possible disciplinary action (including suspension and/or expulsion).

The Academy administration reserves the right to change these rules at any time.

The Academy will not be liable for the actions of anyone using the Internet through its connection. Staff and students shall assume full liability, legal, financial or otherwise for their actions. In addition, the Academy takes no responsibility for any information or materials that are transferred through the Internet. Inappropriate behavior or violation of the acceptable use agreement may lead to penalties including the revocation of the user’s account, disciplinary action (including suspension or expulsion) and/or legal action.

**NETWORK ETIQUETTE**

Network etiquette or netiquette is a set of social standards which facilitate communication over networks. Always consider the following practices before sending electronic mail (e-mail) whether within Academy networks or over the Internet:
E-mail access is provided for educational and business purposes.
Always use business-like, clear and concise language.
Only use Academy-provided or authorized mail systems.
Do not expect e-mail to be private.
Always use utmost care, sufficient discretion, and security when sending confidential and proprietary business information by e-mail. Respect federal copyright laws when sending proprietary information.
Never send an e-mail under someone else's name.
Log off your e-mail or institute a password to protect your workstation.
If you change any e-mail before forwarding, clearly indicate every change. If re-posting a personal message, ask permission before posting. The message may be shortened, but give proper attribution to the original recipient.
Type "DO NOT FORWARD" on e-mail if you do not want it forwarded, and don't forward e-mail marked "DO NOT FORWARD."
Check all mail subjects before responding to a message. You might not have been the primary recipient.
Use both mixed case and proper punctuation. Do not use all upper case which is understood as shouting. Smiles may be used but sparingly.
Never use profanity, inappropriate language. Do not send discourteous, offensive or inflammatory e-mail.
Never use e-mail to harass, intimidate or insult another.
The subject heading should reflect the content of the message.
Include contact information at the end of the message.
Do not send chain letters via electronic mail.
Do not send bulk or mass broadband e-mail messages.
Don't read misdirected e-mail; return it to the sender.
When sending an attachment by e-mail, identify software and versions.
Be aware of the size of the message being sent, including attachments, which may make the message so large that it cannot be delivered.
Inappropriate use of e-mail should be reported immediately to the Academy.
E-mail is not always the most appropriate method of communicating. Depending on the circumstances, a phone call, memo, or face-to-face meeting may be better.

**ELECTRONICS AND WIRELESS COMMUNICATION DEVICES (Cell Phones)**

Games, cameras, and other electronic items are not allowed at the Academy unless express permission is given by the School Leader.

Wireless communication devices (WCDs) are devices that emit an audible signal, vibrate, display a message, or send or receive a communication to the possessor. WCDs include, but are not limited to the following: cellular phones, personal digital assistants (PDA's), e-readers, iPods, smart phones, Wi-Fi enabled access devices, video broadcasting devices, laptops and smart watches.

Use of WCD’s can create a distraction, disruption or interfere with the educational environment of the Academy. The Academy generally prohibits elementary students from the use or possession of any WCD on Academy property, in an Academy vehicle or at any Academy–sponsored event. Students may only possess or use WCDs (including cell phones, pagers, etc.) if permission is given by the student’s parents/guardians AND the School Leader. The School will not give such permission unless the student’s parents or guardians have signed the Wireless Communication Devices (WCDs)/Cell Phone Acceptable Use Agreement and Network and Internet Acceptable Use Agreement. If a personal WCD is used on Academy property, in an Academy vehicle or at any Academy–sponsored event, students must only use the Academy’s filtered Network for data access (either wirelessly or through a direct connection). Students who obtain the necessary permission to possess or use WCDs must have them silent and stowed during the normal school day. Otherwise, cell phone use is only permitted before or after official school time or with specific teacher permission.

Cameras, cell phones or other WCDs may not be used to take pictures or videos without the express permission of a teacher or an Administrator. WCDs, cameras, video cameras or any equipment that has video and/or camera capability may not be activated or used at any time in any Academy situation where a reasonable expectation of privacy exists. Pictures or videos taken in locker rooms or restrooms are strictly forbidden. Additionally, if any prohibited pictures or videos are taken and subsequently posted to the Internet, it will be considered an additional infraction. These students will be considered insubordinate and will be disciplined under the gross misdemeanors section of the Safe Schools Disciple Code of Conduct.
The Academy prohibits any electronic item from containing inappropriate material (as determined by the Administration) including offensive or inappropriate language, pictures or images; language that would promote violence or hatred; and sending, receiving or possessing sexually explicit or otherwise inappropriate pictures or images, commonly knowing as “sexting.”

Students are prohibited from using WCDs to transmit test information or any other information in a manner constituting fraud, theft, academic dishonesty or violating the student expectations as outlined in the Family/Student Handbook.

A student’s possession of any electronic item on Academy grounds, in an Academy vehicle or at an Academy sponsored activity or event constitutes consent to the search of that electronic item. Students should also understand that any student who possesses a cell phone, WCD or other electronic item shall assume responsibility for its care.

The Academy assumes no responsibility for theft, loss, or damage of a personal wireless communication device brought to Academy property, in an Academy vehicle, or at any Academy-sponsored activity or event, or the unauthorized use of such devices. Students bring these devices at their own risk. If a theft occurs, the user should contact a school administrator to make him/her aware of the situation so it will be handled the same way as any other theft. Damage or theft is the sole responsibility of the owner.

Possession of a cell phone or WCD by a student is a privilege, which may be forfeited by any student who fails to abide by the terms of this policy or otherwise engages in misuse of this privilege.

Any device found in violation of this policy including if a student does not have the permission to use/possess an electronic device but it is found to be visible or heard during the normal school day, the item will be confiscated and the parent/guardian will be notified. The confiscated item will be held in the School Office; the item will be returned to the parent/legal guardian only. Confiscated phones, cameras, and other electronic devices will be discarded if not picked up by a parent or legal guardian within 30 days. Prior to such disposal, a notification of that disposal will be sent to the student’s mailing address on file in the School Office.

Violating this policy may also result in permission to use the network possibly permanently revoked; student disciplinary action (including suspension and expulsion); and possible referral of the matter to law enforcement if there is a suspicion of illegal activity. (e.g., child pornography)

Students who refuse to relinquish their electronic device immediately upon request of a staff member will be considered insubordinate and will be disciplined under the gross misdemeanors section of the Safe Schools Student Discipline Code of Conduct.

These prohibitions are in effect any time on Academy property, in an Academy vehicle, or at any Academy-sponsored activity or event.

Students may use telephones located in the classrooms and office for emergency reasons with the permission and supervision of a teacher or office personnel.

In addition, middle school students will follow the “red, yellow, green” light classroom procedures at all times during school hours. “Red light” includes, but is not limited to, bathrooms, hallways, and the gymnasium.

LEGAL NOTICES

Volunteers

In order to provide a safe environment for all Academy students, volunteers (including parents) may be screened through internet sites, such as the Sex Offenders Registry (SOR), the Internet Criminal History Access Tool (ICHAT) or other similar site for background checks, prior to certain volunteer assignments. Volunteers are required to submit a form and a copy of their driver’s license for this purpose. The School Leader may impose conditions on the presence of volunteers, as he or she deems reasonable and appropriate. Any decisions made by the Academy are final and are subject to the Academy’s sole discretion. The Principal may be contacted for any questions or for further information.

Equal Education Opportunity/Civil Rights Designee

The administration, however, reserves the right to dismiss or refuse admission to anyone unwilling to comply with the school’s regulations and academic or behavioral standards.
Any person who believes that s/he has been discriminated against on the basis of his/her race, color, ethnicity, national origin, sex, (including sexual orientation or transgender identity or expression), pregnancy, mental or physical disability, age, religion, height, weight, marital or family status, military status, ancestry, genetic information, while at the Academy, or an Academy activity, should immediately contact the Principal or designee below.

Any student making a complaint or participating in an academy investigation will be protected from any threat or retaliation. The School Leader or designee can provide additional information concerning equal access to educational opportunity.

Parents or students who wish to file a complaint or believe any of their Federal or State rights have been violated (including nondiscrimination under Title II, Title IV, Title VII of the Civil Rights Act of 1964, Title IX of the Education Amendment Act of 1972, Americans with Disability Act, and Section 504 of the Rehabilitation Act of 1973) should contact:

**Title IX Notice**

Title IX of the Education Amendments of 1972 (Title IX) prohibits discrimination based on sex in education programs and activities in federally funded schools at all levels. Title IX protects students, staff members, applicants for admission and employment, and other persons from all forms of sexual harassment, sexual violence and sex discrimination.

The Academy does not discriminate on the basis of sex in its education programs or activities, and is required by Title IX and its implementing regulations not to discriminate. This requirement extends to admission and employment at the Academy.

The Academy’s Title IX Coordinator is Lisa Lane, Counselor. She may be reached at 586-446-9170, via email at llane@huronacademy.org or at 11401 Metropolitan Parkway, Sterling Heights, MI 48312.

Any questions related to the application of Title IX and its implementing regulations to the Academy may be referred to the Title IX Coordinator, the Assistant Secretary for the U.S. Department of Education’s Office for Civil Rights, or both.

The Academy’s grievance procedures provide for the prompt and equitable resolution of complaints alleging any action that is prohibited by Title IX and/or its implementing regulations. These procedures address how to report or file a complaint of sex discrimination, how to report or file a formal complaint, and how the Academy will respond.

These grievance procedures are posted on the Academy’s website and are available here- https://www.huronacademy.org/

**Individuals with Disabilities**

The Americans with Disabilities Act (A.D.A.) and Section 504 of the Rehabilitation Act provide that no individual will be discriminated against on the basis of a disability. This protection applies not just to the student, but to all individuals who have access to the School/Academy’s programs and facilities.

A student can access special education services through the proper evaluation procedures. Parent involvement in this procedure is required by Federal (IDEA) and State law. Contact the Principal at 586-446-9170 to inquire about evaluation procedures and programs. Paula Bremerkamp is the Section 504 Coordinator.

**Student Rights and Responsibilities**

The rules and procedures of Huron Academy are designed to allow each student to obtain a safe, orderly, and appropriate education. Students can expect their rights to freedom of expression and association and to fair treatment as long as they respect those rights for their fellow students and the staff. Students will be expected to follow teachers’ directions and to obey all Huron Academy rules, procedures and code of conduct.

Parents have the right to know how their child is succeeding in Huron Academy and will be provided information on a regular basis and as needed when concerns arise. Many times it will be the student’s responsibility to deliver that information. If necessary, the mail or hand delivery may be used to ensure contact. Parents are encouraged to build a two-way link with their child’s teachers and support staff by informing the staff of suggestions or concerns that may help their child better accomplish his/her education goals.
**Student Assessments**

It is the policy of the Academy to monitor individual student academic growth in each subject area at least twice during the Academic year using a competency-based on line assessment. The results of the assessment shall be communicated to the students and parents/guardians.

The Michigan Student Test of Educational Progress (M-Step) is also administered each spring. This required test is administered to all public school students in the State. Parents may review test information for their child upon request.

**Post-Secondary Enrollment Option**

Although the Academy does not offer high school and college credit while a student is at the elementary level, as a student progresses through their academic journey, they will have opportunities to receive post-secondary credits while enrolled in the Secondary school of their choice. Secondary schools contain programs such as dual enrollment and advanced placement. These future opportunities highlight the importance of good study habits and academic success at the elementary level.

**Children and Youth in Transition**

It is the policy of the Academy to ensure that students who meet the Federal definition of children and youth in transition have equal access to the same free, appropriate public education as provided to other students. In addition, these students are given meaningful opportunities to succeed at the Academy. The Board annually appoints a McKinney-Vento Homeless Liaison to perform all duties as legally required. The Academy’s Homeless Liaison is Paula Bremerkamp.

The Academy is committed to ensuring that there is no barrier to enrollment, attendance, or the success of children and youth in transition. In addition, children and youth in transition will not be discriminated, stigmatized or segregated on the basis of their status. The Academy’s Homeless Liaison collaborates and coordinates with state coordinators, community service providers, and school personnel responsible for the provision of education and related services to homeless children and youth. Anyone seeking additional information regarding homeless students should contact Paula Bremerkamp at (586) 446-9170.

**English Learner**

Limited proficiency in the English language should not be a barrier to equal participation in the instructional or extra-curricular programs of an academy. It is, therefore, the policy of Huron Academy that those students identified as English Learners will be provided additional support and instruction to assist them in gaining English proficiency and in accessing the educational and extra-curricular programs offered by the academy. Parents should contact the Principal to inquire about procedures and programs offered by the Academy.

**Access to Student Records**

The Academy maintains many student records including both directory information and confidential information. Educational records of students at the Academy are safeguarded by policies under the federal legislation entitled Family Educational Rights and Privacy Act of 1974 (FERPA) and Michigan law.

Parents/guardians and/or students (eighteen years of age or older) may inspect and review their student’s records, request amendment or changes to their student’s file, may prevent disclosure to third parties (certain limited exceptions) and may file a complaint concerning alleged failure of the Academy to comply with FERPA.

If the Academy receives a record request from another school the Academy will send, without consent, personally identifiable student information to that other school. FERPA authorizes the release of personally identifiable information from the student’s education records to school officials with legitimate educational interests. The term "school official" includes Academy administrators, staff, teachers, supervisors, Board members, support staff or contractors to whom the Academy has outsourced institutional services or functions. A school official has a "legitimate educational interest" if the official needs to review an education record in order to fulfill his or her professional responsibility.

If requesting student records, please contact the Academy office to begin this process and allow up to 45 days for the school to comply with your request.

Parents or eligible students who wish to amend a student record should contact the School Leader or designee, clearly identify the part of the record they want to amend, and specify why it needs to be amended. If the Academy wishes not to amend the student record as requested, the Academy will notify the parent or eligible student of their decision and of their right to an appeal regarding the decision.

Any complaints regarding FERPA should be directed to:

Family Policy and Compliance Office
The Family Education Rights and Privacy Act ("FERPA") requires that the Academy, with certain exceptions, obtain the written consent of the parent or guardian of a student prior to the disclosure of personally identifiable information from their child’s education records. However, the Academy may disclose appropriately designated “directory information” without written consent, unless you have submitted a signed opt-out form to the Academy. The primary purpose of directory information is to allow the Academy to include this type of information from your student’s education records in certain school publications. Examples include:

- A playbill, showing the student’s role in a drama production;
- The annual yearbook;
- Individual or group recognition of achievement and/or accomplishments;
- Graduation programs; and
- Sports or After school club activity sheets

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent’s prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. If you do not want the Academy to disclose directory information from your child’s education records, you must submit a signed opt-out form to the Academy. The Academy has designated the following information as directory information:

- student’s name
- participation in officially recognized activities and sports
- address
- telephone numbers (e.g., home, cell, etc.)
- weight and height of members of athletic teams
- Academy assigned electronic mail address
- photograph/video/DVD/electronic image
- honor roll and awards received
- date and place of birth
- dates of attendance
- grade level and/or classroom assignment

Search and Seizure of Student’s Person, Lockers, Locker Contents

All lockers, cubbies, and other storage places assigned to students are the property of the Academy. At no time does the Academy relinquish its exclusive control of these storage places. Students have no expectation of privacy in lockers, cubbies or other school-supplied storage areas. The School Leader or his/her designee shall have custody of all combinations to all lockers or locks. Students are prohibited from placing locks on any locker without the advance approval of the School Leader or his/her designee. The School Leader or his/her designee may search lockers, locker contents, cubbies or other school-supplied storage areas, as well as open lockers for repairs, at any time, without notice and without parental/guardianship or student consent.

The Academy assigns lockers, cubbies, and other storage places to its students for the students' convenience and temporary use. Students are to use these storage areas exclusively to store school-related materials and authorized personal items such as outer garments, footwear, grooming aids, or lunch. Students shall not use these storage areas for any other purpose, unless specifically authorized by Academy board policy or the School Leader or his/her designee, in advance of students bringing the items to the Academy. Students are solely responsible for the contents of their lockers, cubbies and other storage places and must not share these storage areas with other students, nor divulge locker combinations to other students, unless authorized by the School Leader or his/her designee. The locations at which searches of students and student property may be conducted are not limited to the Academy building or at Academy property, but may be conducted wherever the student is involved in a school-sponsored function.
The School Leader or his/her designee may search a student and/or a student’s personal items in the student’s possession (such as but not limited to purses, backpacks, lunch boxes, book bags, etc.) when there is a reasonable suspicion that the search will produce evidence that the particular student has violated, is violating, or is about to violate either state law, Board policies or Academy rules. A student’s failure to permit searches and seizures as provided in this policy will be considered insubordinate and will be disciplined under the gross misdemeanors section of the discipline code of conduct.

The search will be conducted in a manner that is reasonably related to the objective of the search and not excessively intrusive given the student’s age, gender and the nature of the infraction. If a pat down search of a student’s person is conducted, it will be conducted in private by an Academy official of the same sex and with an adult witness of the same sex present. Strip searches are prohibited.

Academy computers, software and internet access are school property. Students are only authorized to use Academy computers and other similar educational technology consistent with the educational mission of the Academy. Academy officials may search school computers, software and internet access records at any time for any reason and without student consent.

The School Leader or his/her designee shall not be obligated, but may request the assistance of a law enforcement officer in conducting a search. The School Leader or his/her designee shall supervise the search. In the course of a search, the School Leader or his/her designee shall respect the privacy rights of the student regarding any items discovered that are not illegal or against Academy policy and rules.

When conducting searches, the School Leader or his/her designee may seize any illegal or unauthorized items, items in violation of board policy or rules, or any other items reasonably determined by the School Leader or his/her designee to be a potential threat to the safety or security of others. Such items include, but are not limited to the following: firearms, explosives, dangerous weapons, flammable material, illegal controlled substances or controlled substance analogues or other intoxicants, contraband, poisons, and stolen property.

Law enforcement officials shall be notified immediately upon seizure of such dangerous items or seizure of items that schools are required to report to law enforcement agencies under the Statewide School Safety Information Policy. Any items seized by the School Leader or his/her designee will be seized and held by Academy officials for evidence in disciplinary proceedings and/or turned over to law enforcement officials. The parent/guardian of a minor student, or a student eighteen years of age or older, shall be notified by the School Leader or his/her designee of items removed from the storage area.

Teacher and Paraprofessional Qualifications

All of the teachers at Huron Academy are properly certified and are teaching in the areas that they are certified to teach. Each teacher holds a minimum of a bachelor’s degree and a valid State of Michigan Teaching Certificate. Huron Academy teachers and paraprofessionals are all considered highly qualified. Any parent that wants to know the particular teacher qualifications of his/her child's teacher(s) can contact the Principal at any time.

Review of Instructional Materials and Activities

Parents have the right to review any instructional materials being used in the school. They also may observe instruction in any classroom. Any parent who wishes to review materials or observe instruction must contact the Principal prior to coming to the school. Parents’ rights to review teaching materials and instructional activities are subject to reasonable restrictions and limits.

Preparedness for Toxic and Asbestos Hazards

This notification is to advise all parents, building occupants, and parent-teacher organizations, that the asbestos management plans required under the Asbestos Hazard Emergency Response Act (AHERA) are available for review upon request. Huron Academy is concerned for the safety of students and attempts to comply with all Federal and State Laws and Regulations to protect students from hazards that may result from industrial accidents beyond the control of school officials or from the presence of asbestos materials used in previous construction. If you would like to review a copy of the plans for Huron Academy, please notify the school office during normal business hours.

Parking Lot Liability

Parking in the Huron Academy lot is at your own risk. Huron Academy accepts no responsibility or liability for loss occurring to any vehicle parked on school grounds. It is the responsibility of all vehicle owners to insure their own vehicles for any kind of loss.

Constitutionally Protected Prayer

Children may engage in discussion with one another about personal beliefs during appropriate time frames, as long as the children all agree to discuss the topic. No adult is allowed to interfere with the children’s discussions. The only staff member who may get involved is the Principal and only if bullying is apparent. Children may include
their personal beliefs in school projects and readings. The children need to respect each other’s differences and accept that their ideas can’t be forced onto another child. The following website may clear up any confusion on this topic:  www.ed.gov/Speeches/08-1995/religion.html

**Pesticide Notice**

The Academy is required by Act 451 Part 83 to maintain an effective pest control program for our buildings. As part of an effective pest management program, school buildings and grounds may be treated as needed to control or eliminate pests. The least hazardous methods will always be incorporated to remove pests as per the Michigan Pesticide Control Act. Under most circumstances chemical treatments will be a last resort.

Only a licensed person or company shall be allowed to apply commercial grade pesticides or herbicides. When pesticides are used, a notice will be posted on the main door of both school buildings and will also email notice to parents with the email address provided upon registration at least 48 hours prior to the application. Additional applications may be necessary.

In addition, the Academy maintains a list of parents/guardians who wish to receive notification via mail of pesticide applications. Those registered parents will receive notice from the Academy via first class, United States mail postmarked three days before the application. If you would like to request prior notification of the application of pesticides or herbicides, please see the school office. Parents who register for the notification must do so annually.

However, pesticides may be used in an emergency situation without advance notice. In such a case, we would make every effort to inform all affected parties.

Parents/guardians may review the Academy’s integrated pest management program and records of pesticide applications.

If you have any questions or wish to request prior notification of the application, please contact Mark Talbot, Principal, (586) 690-8180, talbotm@huronacademy.org.

**Mandated Reporter**

Academy administrators, teachers, counselors and social workers are required by law to immediately report any and all suspected cases of child abuse or neglect to the Michigan Family Independence Agency.

**Concussions**

Before a student may participate in an athletic activity (physical education classes, organized practices and competitions) operated by the Academy, student athletes and parents/guardians must review the educational materials found below.

The acknowledgement receipt found at the bottom of the education material must be signed by both the student and parent/legal guardian and subsequently turned into the School Office.

If a student is suspected of having sustained a concussion, the student must provide the Academy with written clearance from an appropriate health professional before the student can return to physical activity. The health professional must be licensed or authorized to engage in a health profession whose scope of practice includes the recognition, treatment, or management of concussions. Schools will closely scrutinize any written medical slips submitted by students to make sure that an appropriate health professional has authorized their release.
Parent/Athlete Concussion Information Sheet

A concussion is a type of traumatic brain injury that changes the way the brain normally works. A concussion is caused by bump, blow, or jolt to the head or body that causes the head and brain to move rapidly back and forth. Even a “ding,” “getting your bell rung,” or what seems to be a mild bump or blow to the head can be serious.

**WHAT ARE THE SIGNS AND SYMPTOMS OF CONCUSSION?**

Signs and symptoms of concussion can show up right after the injury or may not appear or be noticed until days or weeks after the injury.

If an athlete reports one or more symptoms of concussion listed below after a bump, blow, or jolt to the head or body, s/he should be kept out of play the day of the injury and until a health care professional, experienced in evaluating for concussion, says s/he is symptom-free and it’s OK to return to play.

**Did You Know?**

- Most concussions occur without loss of consciousness.
- Athletes who have, at any point in their lives, had a concussion have an increased risk for another concussion.
- Young children and teens are more likely to get a concussion and take longer to recover than adults.
CONCUSSION DANGER SIGNS

In rare cases, a dangerous blood clot may form on the brain in a person with a concussion and crowd the brain against the skull. An athlete should receive immediate medical attention if after a bump, blow, or jolt to the head or body s/he exhibits any of the following danger signs:

- One pupil larger than the other
- Is drowsy or cannot be awakened
- A headache that not only does not diminish, but gets worse
- Weakness, numbness, or decreased coordination
- Repeated vomiting or nausea
- Slurred speech
- Convulsions or seizures
- Cannot recognize people or places
- Becomes increasingly confused, restless, or agitated
- Has unusual behavior
- Loses consciousness (even a brief loss of consciousness should be taken seriously)

WHAT SHOULD YOU DO IF YOU THINK YOUR ATHLETE HAS A CONCUSSION?

If you suspect that an athlete has a concussion, remove the athlete from play and seek medical attention. Do not try to judge the severity of the injury yourself. Keep the athlete out of play the day of the injury and until a health care professional, experienced in evaluating for concussion, says s/he is symptom-free and it’s OK to return to play.

Rest is key to helping an athlete recover from a concussion. Exercising or activities that involve a lot of concentration, such as studying, working on the computer, or playing video games, may cause concussion symptoms to reappear or get worse. After a concussion, returning to sports and school is a gradual process that should be carefully managed and monitored by a health care professional.

It’s better to miss one game than the whole season. For more information on concussions, visit: www.cdc.gov/Concussion.

COMPLAINT POLICY

In order to preserve an environment based on courtesy, respect and responsibility, any requests, suggestions, or complaints concerning staff, curriculum, or operations of the Academy should be filed according to the following procedure:

1. Anyone wishing to present a request, suggestion or complaint shall discuss this matter with the instructor or staff member that has direct responsibility of the matter. If the discussion revolves around a particular incident, the complainant must initiate this process within seven (7) days of the incident.

2. If the issue deals with a violation of laws or with Academy-wide policies, the School Leader is the appropriate staff member.

3. If the aggrieved person is not adequately satisfied with the results of that discussion, that person has seven (7) days to submit their complaint in writing to the School Leader.

4. The School Leader will conduct their own investigation of the incident by speaking to all relevant parties and try to resolve the issue through discussions with those people. After completion of that investigation, the School Leader will give a decision to the complainant and the reasons for that decision.

5. If the original discussion was with the School Leader, and the concern was not adequately resolved by the School Leader, then the complainant must submit their concern in writing to CS Partners’ office using the CS Partner’s complaint form no later than one month after the School Leader’s decision is given to the complainant.

6. Upon receiving the written complaint, CS Partners shall investigate the incident/conduct. In determining whether the alleged conduct violates any policy or procedure, the totality of the circumstances will be investigated and reviewed. Appropriate action will then be taken. A response will be given to the complainant if requested.

7. Only signed, written complaints are investigated. Anonymous complaints are not.

8. If the complainant is not satisfied with CS Partners’ response, the complainant may present the concerns before the Board of Directors in accordance with the Public Participation procedures.

9. Parents cannot request limited staff interaction when the situation warrants the staff member to be involved in his/her professional role.

10. Anyone utilizing this procedure will not suffer any form of reprisal. All claims of retaliation will be investigated. Any retaliatory activity may result in discipline, up to and including, discharge.
I have received and reviewed the 2020-2021 Parent/Student Handbook, including the discipline policy. I acknowledge my responsibility to understand and abide by the policies and procedures contained therein. I understand that the policies and procedures contained in the parent-student handbook may be added to, deleted, or changed at any time.
