Transitional Kindergarten Supply List

On the opposite side is a list of school supplies, your student will need for a successful school year. There are "personal" items that stay in your student's pencil box or personal bin. These "personal supplies" will have (P) next to them, please label those items with your child's first name. (Use a permanent marker, or sticker label.) The "communal supplies" will be stored all together to restock all student's pencil boxes, for examples glue sticks.

Please no personal pencil sharpeners, mechanical pencils or pens. Please leave these at home for use.

Please let me know if you have any questions about any of the items on the list. Great places to look for these items are Meijer, Target, Walmart, and Amazon. You can look other places as well, I just know these places have back to school sales!

Thank You!
